**DECLARATION OF DAVID KREMSEY IN SUPPORT OF THE MOTION OF THE
KREMSEY GROUP FOR CONSOLIDATION OF SIMILAR CASES; TO BE
APPOINTED LEAD PLAINTIFF; AND TO APPROVE PROPOSED LEAD
PLAINTIFF'S CHOICE OF COUNSEL**

I, David Kremser, declare as follows:

1. I submit this declaration in support of the Motion of the Kremser Group for Consolidation of Similar Cases; to be Appointed Lead Plaintiff; and to Approve Proposed Lead Plaintiff's Choice of Counsel, pursuant to the Private Securities Litigation Reform Act of 1995.

2. I, David Kremser, hold a B.S. in accounting and worked as a CPA for many years. I began a healthcare agency that owned nursing homes in Colorado and Arizona, and have been retired for 12 years. I have been managing my own portfolio for 15 years, and reside in Evergreen, Colorado.

3. I believe that I have no interests antagonistic to those of the Class and do not believe I am subject to any unique defenses.

4. I understand that I am seeking to have my choice of counsel appointed Co-Lead Counsel on behalf of the Class of Plaintiffs. I am part of what I believe to be a small, cohesive, manageable group that, if appointed as Lead Plaintiff, will work together, and direct the activities of my counsel, Kahn Gauthier Swick, LLC ("KGS") and Brower Piven, A Professional Corporation ("BP"), in the prosecution of this action. I understand that to fulfill my fiduciary duties and obligations as Lead Plaintiff, I must fairly and adequately represent the Class by vigorously prosecuting this case on behalf of the Class.

5. I will fulfill what I understand to be my responsibilities as Lead Plaintiff to the best of my ability. I intend to oversee my counsel and monitor the progress of the litigation to discharge my duties to the Class. In discharging those duties, I intend, among other things, to

review pleadings and motions papers received from counsel; obtain periodic status reports on the progress of the litigation on developments in the action; produce documents, answer interrogatories, and/or sit for a deposition, if necessary; and have input into litigation decisions and strategies, and involvement in the final approval of any major litigation decisions, including whether or not to settle the litigation and, if so, for how much.

6. As a member of the Kremser Group, I intend to work closely and cooperatively with the other members of the group to oversee the litigation in a manner intended to best vindicate the interests of all shareholders. I, as a member of the Kremser Group, have communicated with the other members of the group, and I believe that as a small, cohesive group, we can effectively and efficiently prosecute this action together. I understand that our group intends to do so by, among other means, communicating, individually or as a group, with each other and with counsel, to the extent we determine it necessary to fairly and adequately represent the interests of the Class.

7. The members of the Kremser Group have expressed an intention to regularly communicate with counsel and each other through the use of email, internet and telephone. Members of the Kremser Group have determined how the group will make decisions and will endeavor to make all decisions unanimously. I do not foresee a circumstance where the members of our group could not reach a mutually agreeable solution to any issue that might arise.

8. The members of the group have agreed that I will serve as the Kremser Group spokesperson and liaison with counsel and the Court. Although I understand that emergencies rarely arise in the course of litigation of this nature that would not permit sufficient time for our group to be consulted, particularly in light of modern technological means of communication, to

the extent such an emergency arises and our group is unable to collectively make a decision, I understand that I will be responsible for making such decisions.

9. Additionally, I understand that our group will meet periodically, as necessary, by telephonic conference (with or without counsel) to discuss the progress of the litigation and to consider litigation strategies recommended by our counsel. I understand that litigation of this nature has active and inactive periods, and I will make myself available as needed to fulfill my role as Lead Plaintiff.

10. I have selected my counsel, KGS and BP, to be Co-Lead Counsel for the Class, based on their experience in securities litigation and other class action litigation and resources. I am familiar with the background and experience of KGS and BP, and I am satisfied that the attorneys at those firms working on this matter are experienced in the prosecution of class action securities cases and will vigorously and diligently prosecute this action at the direction of the Kremser Group. I am further satisfied that these attorneys will keep me advised of the status of the action in order to assure that I may fulfill my duties as Lead Plaintiff.

11. Though members of the Kremser Group move together for appointment as Lead Plaintiff, the group members have agreed to have the Court consider group members' losses individually and appoint an individual from the group as Lead Plaintiff should the Court so desire.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

**DECLARATION OF JAY L. GOOZH IN SUPPORT OF THE MOTION OF THE
KREMSEY GROUP FOR CONSOLIDATION OF SIMILAR CASES; TO BE
APPOINTED LEAD PLAINTIFF; AND TO APPROVE PROPOSED LEAD
PLAINTIFF'S CHOICE OF COUNSEL**

I, Jay L. Goozh, declare as follows:

1. I submit this declaration in support of the Motion of the Kremser Group for Consolidation of Similar Cases; to be Appointed Lead Plaintiff; and to Approve Proposed Lead Plaintiff's Choice of Counsel, pursuant to the Private Securities Litigation Reform Act of 1995.

2. I, Jay L. Goozh, have owned and operated a souvenir import business for over 40 years. I have a college degree in business. I currently reside in College Park, Maryland. I have been investing in the stock market for approximately 30 years and have managed my own portfolio during this period.

3. I believe that I have no interests antagonistic to those of the Class and do not believe I am subject to any unique defenses.

4. I understand that I am seeking to have my choice of counsel appointed Co-Lead Counsel on behalf of the Class of Plaintiffs. I am part of what I believe to be a small, cohesive, manageable group that, if appointed as Lead Plaintiff, will work together, and direct the activities of my counsel, Kahn Gauthier Swick, LLC ("KGS") and Brower Piven, A Professional Corporation ("BP"), in the prosecution of this action. I understand that to fulfill my fiduciary duties and obligations as Lead Plaintiff, I must fairly and adequately represent the Class by vigorously prosecuting this case on behalf of the Class.

5. I will fulfill what I understand to be my responsibilities as Lead Plaintiff to the best of my ability. I intend to oversee my counsel and monitor the progress of the litigation to discharge my duties to the Class. In discharging those duties, I intend, among other things, to

review pleadings and motions papers received from counsel; obtain periodic status reports on the progress of the litigation on developments in the action; produce documents, answer interrogatories, and/or sit for a deposition, if necessary; and have input into litigation decisions and strategies, and involvement in the final approval of any major litigation decisions, including whether or not to settle the litigation and, if so, for how much.

6. As a member of the Kremser Group, I intend to work closely and cooperatively with the other members of the group to oversee the litigation in a manner intended to best vindicate the interests of all shareholders. I, as a member of the Kremser Group, have communicated with the other members of the group, and I believe that as a small, cohesive group, we can effectively and efficiently prosecute this action together. I understand that our group intends to do so by, among other means, communicating, individually or as a group, with each other and with counsel, to the extent we determine it necessary to fairly and adequately represent the interests of the Class.

7. The members of the Kremser Group have expressed an intention to regularly communicate with counsel and each other through the use of email, internet and telephone. Members of the Kremser Group have determined how the group will make decisions and will endeavor to make all decisions unanimously. I do not foresee a circumstance where the members of our group could not reach a mutually agreeable solution to any issue that might arise.

8. The members of the group have agreed that David Kremser will serve as the Kremser Group spokesperson and liaison with counsel and the Court. Although I understand that emergencies rarely arise in the course of litigation of this nature that would not permit sufficient time for our group to be consulted, particularly in light of modern technological means of

communication, to the extent such an emergency arises and our group is unable to collectively make a decision, I understand that Mr. Kremser will be responsible for making such decisions.

9. Additionally, I understand that our group will meet periodically, as necessary, by telephonic conference (with or without counsel) to discuss the progress of the litigation and to consider litigation strategies recommended by our counsel. I understand that litigation of this nature has active and inactive periods, and I will make myself available as needed to fulfill my role as Lead Plaintiff.

10. I have selected my counsel, KGS and BP, to be Co-Lead Counsel for the Class, based on their experience in securities litigation and other class action litigation and resources. I am familiar with the background and experience of KGS and BP, and I am satisfied that the attorneys at those firms working on this matter are experienced in the prosecution of class action securities cases and will vigorously and diligently prosecute this action at the direction of the Kremser Group. I am further satisfied that these attorneys will keep me advised of the status of the action in order to assure that I may fulfill my duties as Lead Plaintiff.

11. Though members of the Kremser Group move together for appointment as Lead Plaintiff, the group members have agreed to have the Court consider group members' losses individually and appoint an individual from the group as Lead Plaintiff should the Court so desire.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Summary: According to a press release dated January 31, 2008, the complaint charges that MMA and certain of its present and former officers, directors, and control persons violated Sections 10(b) and 20(a) of the Securities Exchange Act of 1934 by issuing materially false and misleading statements pertaining to MMA's business prospects, financial condition, and financial performance.

The lawsuit charges that, during the Class Period, the Company and its officers and directors, caused to be issued numerous false and misleading statements concerning the adequacy of the Company's internal controls and the value and performance of its tax-exempt bond portfolio. The Complaint alleges that defendants failed to disclose and misrepresented the true financial condition and operations of the Company.

On January 28, 2008, the Company announced that it was slashing its dividend and would again delay the filing of its restated financials. Before the market opened the following day, the Company disclosed that the previously announced restatement would impact an even greater portion of the Company's business. As a result of these disclosures, the Company's stock opened for trading at \$12.33 per share and closed at \$9.19 per share, or 46% below the prior day's close.

A similar, purported class action complaint was also filed in the U.S. District Court for the District of Maryland with class period between May 3, 2004 to January 29, 2008.
